INDIANA UTILITY  
REGULATORY COMMISSION

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") makes the following entry in this Cause:

On April 8, 2003, Columbia City Municipal Electric Utility ("Petitioner") filed its *Verified Petition for Approval of a Non-Recurring Charge for New Connections to Its Electric Utility* ("Petition"). The language in the caption and body of the Petition, which states Petitioner's request for approval of a fee for new connections, is inconsistent with the Petition's prayer for relief, which seeks approval of a fee for after-hours charges.

Within ten (10) days of receipt of this entry, Petitioner should file an amended Petition that clarifies the relief it is seeking in this Cause.

**IT IS SO ORDERED.**
